4th April' 2023

Dear Parents,

A new school year means new beginnings, new adventures, new friendships, and new challenges. As we begin our **new academic session on Wednesday, April 5**, we eagerly look forward to welcome our students back on campus for an exciting year ahead! The last session was full of learning and achievements. We had an amazing Parent Orientation session on April 1st, 2023 for all our parents. We thank you for attending and participating in it.

As we begin this new academic year, I want to emphasize our school's commitment to provide your child with an enriching and well-rounded education. We believe in nurturing the unique talents and strengths of each student, encouraging them to develop critical thinking and problem-solving skills, and empowering them to achieve their full potential.

Our dedicated team of teachers and staff has been working tirelessly to prepare for the upcoming academic year. We are committed to providing a safe and conducive learning environment that fosters academic excellence, personal growth, and social responsibility.

As we move forward together, we will continue to work towards achieving our collective goals of providing a high-quality education and ensuring the holistic development of our students. We look forward to partnering with you in this endeavor and appreciate your continued support and involvement in your child's education.

Once again, I extend a warm welcome to all of you and wish you a productive and successful academic year.

Sincerely,

Warm Regards,

Dr Himani Tyagi
Principal
