Circular No. TMSGRN/CIRC/23-24/04

Date: 11 April, 2023

Dear Parents,
Greetings from The Millennium School, Greater Noida (W)!

Please be informed that we are conducting an **interactive online training on the implementation of the 'RAZ Plus' Reading Programme** for the **parents of Gr. Nur - II learners**.

We believe that a strong parent-school partnership is vital for facilitating early childhood development. Therefore, **we insist that you must attend this session**, as it **covers important insights & tips on how to execute the reading programme beyond classrooms**.

As you were notified earlier, we run this age-appropriate, levelled programme in association with **Reading A-Z**, our academic partner. **Reading comprehension** is considered to be the **most sought-after 21st-century skill**. Nurturing it through this programme will:

- Set a solid academic foundation for higher classes
- Foster an early habit and a lifelong love of reading
- Broaden learners' perspectives & the scope for imagination
- Enable them to understand a wide range of texts & draw meaningful inferences
- Develop sub-skills that are essential for ensuring students' academic and professional excellence in the future

Please click on the link below to **confirm your attendance** at the event.
