15th February 2024

Dear Parent

Greetings from The Millennium School, Greater Noida (West)!

As you may already be aware, the National Education Policy (NEP) discourages formal examinations for students up to grade 2. However, as we approach the end of the session, we find it beneficial to assess our students to gauge their readiness for grade 3. This evaluation allows us to identify any learning gaps and address them proactively before the students transition to grade 3. We kindly request parents not to experience undue stress regarding this assessment, as its purpose is to support the holistic development of our students rather than create unnecessary pressure.

Kindly be informed that assessments will start from **Monday, 19th February 2024**. You are requested to go through all the instructions carefully:

1. Attendance is **mandatory**.
2. **Non assessment days** will be **rest and revision holidays**.
3. Buses will ply accordingly.
4. Parents of supervision students to pick and drop their ward as per the given timings. (8:45 am – 12:15 pm)

Imp: On 01.03.2024 (Friday) and 04.03.2024 (Monday), students will have full day (i.e. till 02:45 pm). Buses will ply accordingly.

Best regards,

Dr. Himani Tyagi
Principal
