Donation Drive - Samvedana

"If you see someone without a smile, give them one of yours."

Dear Parents,

Greetings from The Millennium School, Greater Noida (W)!

We are thrilled to introduce **'Project Samvedana'** as part of our **KARMA-TMS Community Outreach Programme.** This donation drive, conducted in collaboration with **Goonj & Robinhood Army**, offers our students an opportunity to create a tangible impact in their communities. Your remarkable contributions have previously transformed the lives of the underprivileged, and we are eager to continue our efforts to extend our support once again.

Important points to note:

- Our students and their parents can participate in this noble endeavour by donating any number of items from the list shared below.
- **The drive will run throughout the month of March, allowing you to send donations at your convenience and as many times as you wish.**
- To facilitate the donation process, dedicated collection points will be established on each floor within the school premises.
- Look for boxes labelled **KARMA**, where you can deposit your donations at your convenience.
- All items to be in good condition, washed, ironed, and neatly packed, demonstrating respect for the recipients' dignity and well-being.

List of items which can be donated:

We kindly request donations of the following items (**in good condition and neatly packed**):

Old school bags	Left over stationery items	Left over colours (crayons, water colours)	Left over blank sheets, notebooks
Old shoes	Old school uniform (winter/ summer)	Old clothes (Any Size)	

Your contributions, regardless of quantity, will significantly impact the lives of those in need. Your generosity will provide essential support to the less fortunate and foster a positive change within our community.

Thank you for your continued support and continued participations. Together, let's make a difference in the lives of others and spread warmth and kindness.

Warm regards,

Himani Tyagi.

Dr Himani Tyagi
