

**Circular/23-24/ACTC/TMSGRN/01**

**Month – April 2023**

**Dear Parent / Guardian,**

***Greetings from The Millennium School Greater Noida (W)!***

A lot of interesting events and activities are planned for the children to learn through experiential learning in their own unique way. We are committed to nurture the inherent potential and talent of each child. It enables them to enjoy the freedom to expression and imagine beyond the boundaries of the classroom.

Given below are the activities for April 2023:

**House on Duty: Agni**

**1. Life Skills Activity**

**Topic: Sharing & Caring**

**Day & Date: Every Monday 1<sup>st</sup> Period**

**Description:** By sharing & caring children develop a broader perspective. Instead of simply involving toys, sharing also includes feelings, understandings, and experiences. And children's range of emotions – from happiness, to sorrow, to downright outrage applies to personal experiences as well as to more complex issues such as fear and violence.

**Class II – V: My Act of Kindness**

**Description:** Children will have to colour the act of kindness they have completed till third week of April. They may add some more in the list and share with each other.

**Classes VI – VIII: How We Share & Care**

**Description:** Group discussion on the importance and need of sharing and caring.

**2. Wall Magazine**

**Day & Date: Monday, 10 April 2023 - Monday, 17 April 2023**

**Judgement Day: Tuesday, 18 April 2023**

### **Class – II (All Sections)**

#### **Topic: Reading for Learning**

- Story telling
- Activities related to same.
- Story illustrations

**Venue:** Class board outside the respective class

### **Classes: III & IV (All Sections)**

#### **Topic: Healing Touch of Nature**

- Our green life
- Ideas for sustainability
- Bridging the gap between man and nature

**Venue:** Class board outside the respective class

### **Classes: V & VI (All Sections)**

#### **Topic: Women as Architects of a New World**

- Role of women in innovation and development
- Prominent women achievers

**Venue:** Class board outside the respective class

### **Classes: VII & VIII (All Sections)**

#### **Topic: Future with A.I.**

- Technology led life
- Role of Chat GPT and co-pilot
- Striking the correct balance

**Venue:** Class board outside the respective class

## **3. English Week**

**Day & Date: Monday, 24 April 2023 – Friday, 28 April 2023**

### **Class II: Word Tennis**

**Description:** Students will be given some conditions such as 4 letter words. They will have to come up with a word with the last letter of previous word.

### **Class III: Ladder Blender**

**Description:** The students will be given a word. Now, they will change each word into a new word by changing just a single letter progressively.

### **Class IV: Story Weaver**

**Description:** Using images from magazines students will create stories and present to their classmates.

### **Class V: Caption it Funny**

**Description:** Students will be provided with images, and they will give descriptive and crazy captions to them.

### **Class VI: Vocab Crush**

**Description:** The students will be given some vocab words, using them they will write their own tongue twisters and present in front of the audience.

**Class VII: Scribble It**

**Description:** One student will be provided with a proverb/famous dialogue of a chapter. They will write about it on board and their team members will guess the same.

**Class VIII: Speedy Reading**

**Description:** Students will be provided with a bunch of stories with activities. In groups they will read the stories and perform the activities. Those who would do it the fastest will be winners.

**Class VIII: Author at Work**

**Description:** The students will present self-written monologue based on works of famous authors of their choice.

**4. World Creativity and Innovation Day**

**Day & Date: Friday, 21 April 2023**

**Description:** There may be no universal understanding of creativity. The concept is open to interpretation from artistic expression to problem-solving in the context of economic, social and sustainable development. Therefore, the United Nations designated 21 April as World Creativity and Innovation Day to raise the awareness of the role of creativity and innovation in all aspects of human development.

**Classes II – V: Life Altering Innovations in 21<sup>st</sup> Century**

**Description:** Students will talk for 1 min about any one life altering innovations in the classroom. They should be using the concept of 3W's and 1H.

**Classes VI – VIII: Design Thinking – an approach in Problem Solving**

**Description:** Students will showcase their ideas on any one of the stages of design thinking through a PPT.

**5. Special Assembly - Earth Day**

**Day & Date: Friday, 21 April 2023**

**Description:** Our planet is an amazing place, but it needs our help to thrive! That's why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we're making our world a happier, healthier place to live.

Children will perform a special assembly to celebrate Earth Day

Looking forward to your support and cooperation.

**Best regards,**

**Dr. Himani Tyagi**  
**Principal**
