05th December 2023

Month – December 2023

Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida (W)!

The school focuses on the holistic development of the students, where academic learning and enrichment are given equal weightage. Keeping this view in mind, the school conducts various activities for the students. The participation in these activities not only helps in fostering their inherent talents but also provides a platform for sharing their views, thoughts, and ideas on various topics of common interests.

Given below are the activities for August 2023:

House on Duty: Prithvi

Classes III – VIII

1. Socio Emotional Ethical Learning

Classes III – V

Topic: Cultivating Compassion

Day & Date: Every Monday 1st Period

Objective: Students will understand the concept of compassion and develop practical ways to demonstrate compassion towards others.

Classes VI – VIII

Topic: Cultivating Compassion

Day & Date: Every Monday 1st Period

Objective: Students will understand the concept of compassion, its importance in building positive relationships, and will explore ways to demonstrate compassion in their daily lives.

2. Special Assembly on Gratitude Day

Day & Date: Thursday, 07 December 2023

Description: Celebrating Gratitude Day in fosters a positive and inclusive learning environment by encouraging students to reflect on and express gratitude for the people, experiences, and opportunities in their lives. Students develop a sense of appreciation,

empathy, and interconnectedness, contributing to a more harmonious and emotionally resilient school community.

A special assembly will be conducted by the students of Aakash house.

3. Mathematics Week

Mathematics Week provides an engaging platform for schools to celebrate the significance of mathematics in everyday life and academic pursuits. Through fun competitions, and educational activities, students not only enhance their mathematical skills but also develop a deeper appreciation for the subject, promoting a positive attitude towards problem-solving and analytical thinking.

Classes: III

Day & Date: Monday, 18 December 2023

Topic: Dog and the Bone Game (Sorting Activity: Units of Measurement)

Description: Students will be able to categorize different units of measurement into their respective groups of "Length," "Weight," and "Capacity." By emphasizing the distinguishing features and practical applications of the units within each measurement type.

Materials required:

Any two objects having "Length," "Weight," and "Capacity." e.g. pencil, eraser, chips, juice, sealed packet of flour, sugar, rice etc.

Classes: IV

Day & Date: Tuesday, 19 December 2023

Topic: The Marketplace

Description: In the "The Marketplace" activity, students become entrepreneurs navigating a marketplace where mathematical concepts transform into real-world applications. They practice essential skills such as budgeting, calculating profits, and negotiating as they engage in transactions, creating a dynamic and hands-on learning experience that bridges the gap between theoretical mathematics and practical problem-solving.

Classes: V

Day & Date: Wednesday, 20 December 2023

Topic: Metric Units Puzzle

Description: The Metric Unit Puzzle activity immerses students in a hands-on exploration of the metric system, challenging them to assemble a puzzle by matching various measurements to their corresponding units. This engaging and interactive exercise not only reinforces understanding of metric units for length, mass, and volume but also promotes spatial reasoning and problem-solving skills.

Classes: VI – VII

Day & Date: Thursday, 21 December 2023

Topic: Maths Art- Explore Maths in Art

Description: Student will unlock the magic of math-meets-art by crafting captivating designs on chart paper using basic geometric shapes. This hands-on activity not only sparks creativity but also unveils the charming simplicity behind the mathematical beauty found in every stroke and angle.

Classes: VIII

Day & Date: 18 December to 22 December 2023

Topic: The Common Denominator –Mathematical Newsletter

Description: - Students will curate a vibrant Mathematical Newsletter, weaving together different types of articles, brain-teasing puzzles, rhythmic poems, and captivating visuals. This collaborative endeavor not only sharpens their communication skills but also transforms mathematical concepts into a lively narrative, showcasing the multifaceted and dynamic nature of math in a visually appealing and intellectually stimulating format.

4. Special Assembly on Human Rights Day

Day & Date: Friday, 22 December 2023

Description: In the spirit of Human Rights Day, our school assembly becomes a powerful platform to amplify the principles of equality, dignity, and justice. Through enlightening speeches, poignant reflections, and collaborative performances, students unite to honor and champion human rights, fostering a collective commitment to building a world where every individual's inherent rights are acknowledged, respected, and celebrated.

A special assembly will be conducted by the students of Prtihvi house

5. Christmas Festavanganza

Day & Date: Saturday, 23 December 2023

Description: This Christmas Festavanganza is an elegant and festive affair, featuring a curated program of cultural performances carols by our students, and refined seasonal cuisine. This celebratory event is designed to foster a sense of community and joy, providing all with an opportunity to embrace the spirit of Christmas

Looking forward to your support and cooperation.

Best regards,

Dr. Himani Tyagi
Principal
