5th February 2024

Month – February 2024

Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida (W)!

Children at The Millennium School are given a platform to display their creative skills through a variety of scholastic activities that are arranged at the school year- round in order to heighten the sense of excitement and encourage holistic development.

Given below are the activities for the Month of February, 2024:

1. Social Emotional Ethical learning-

Objective: Importance of teaching gratitude is to cultivate positive mindset and foster an appreciation for the people, experiences and opportunities in one's life.

Topic: Cultivating Gratitude

Description: Gratitude helps people focus on the positive aspects of their life. Gratitude can help build and maintain relationships with others, resulting in hope, life satisfaction, and more proactive behaviors toward others.

Classes: (Pre-Nursery - II)

Day & Date: Every Monday First Period

Week - 1

Activity: Story time

Introduction: Teacher will discuss about importance of gratitude followed by related video.

Week - 2

Activity: Gratitude Tree

Gratitude Tree: Introduce the idea of a gratitude tree, where every child gets to add a leaf sharing something they are thankful for.

Material Required: A4 sheets

Color, markers, pencil

Decorative Item

Week-3

Activity: Gratitude Card

Gratitude Journal: Children will make Thank you card/Journal for the things they are grateful for.

Material Required: A4 sheets (Green)

Colors, markers

Week-4

Activity: Sharing time

Gratitude Circle: Students gather in a circle, taking turns to express what makes them happy and thankful, creating a positive space to share and appreciate each other's experiences.

2. Basant Panchami

Day & Date: Wednesday, 14th February, 2024

Description: Basant Panchami, celebrated in late winter or early spring, marks the arrival of the season's vibrant colors. It symbolizes the rejuvenation of nature and the onset of spring, fostering a sense of renewal and inspiration in the foundational wing.

Classes: Pre-Nursery- KG

Activity: Flower Rangoli

Material Required: Marigold Flower, Glue, Marker, Blue chart Paper, Pencil.

Class: Grade I

Activity: Handprint Daffodil

Material Required: Yellow, Green, A3 Sheets, A4 Brown Sheets, Glue

Class: Grade II

Activity: Cute Paper Flower Card

Material Required: Yellow, Green A3 Sheets, A4 Brown Sheet, Glue, Ice-cream Sticks, Marker

3. Fitness Fiesta:

Encouraging fitness in kindergarten is crucial for the holistic development of young children. Engaging in physical activities not only fosters a healthy lifestyle but also enhances motor skills, coordination, and social interaction.

Day & Date: Saturday, 17TH February, 2024

Class: KG

Day & Date: Sunday, 18th February, 2024

Class: Pre-Nursery & Nursery

Description:

Exciting times are ahead as we announce the upcoming Fitness Fiesta. Our little stars will be showcasing their energy, sportsmanship, and enthusiasm in a series of engaging activities that promise a day filled with fun and laughter.

4. Fun Filled Day:

Topic: Rock Sport Adventure Camp

Day & Date: Saturday, 24th February, 2024

Description: To nurture the spirit of curiosity, wonder, imagination, and a sense of adventure in students. The school is organizing a fun-filled adventure camp for **(Grade I and II)**. The objective of the camp is to create an opportunity for little ones to explore and connect with their surroundings while developing gross and fine motor skills.

5. Show and Tell

Topic: Community Helpers

Community helpers are special individuals who play crucial roles in making our community a better place. They are the everyday heroes that we encounter in our neighborhoods, schools, and towns. This activity aims to promote awareness, appreciation, and understanding of the various roles that community helpers play in our lives.

Classes: Pre-Nursery - KG.

Day & Date: Monday on 26th February, 2024

Description: Children will prepare 2-3 simple sentences about their favorite community helpers. They also have the option to dress up as their chosen community helper to make it even more fun and engaging.

6. National Science Day

Classes: Pre-Nursery - I

Day & Date: Wednesday, 28th February, 2024

Activity: Science Experiments

Description: On February 28, we celebrate National Science Day to highlight the importance of science in our daily lives. It's a day to appreciate the cool advancements in technology that improve life for everyone. Students will engage in hands-on activities to explore basic scientific ideas. Meanwhile, another group will do a gallery walk to observe visual displays on various scientific topics. This mix of experiments and exhibits aims to help all students understand science better on Science Day.

Class: II –

Activity: Inter Class Quiz on General Science

Description: It will be conducted in two rounds. Preliminary round and Final round. Students from each class will be shortlisted for Final round based on their performance in Preliminary round.

Looking forward to your support and cooperation.

Best regards

Dr. Himani Tyagi
Principal
