

## Plastic Free July Campaign Revive, Restore, Renew

## **TMSGRN/CIRC/23-24/26**

19th July' 2023

Dear Parent,

Greetings from The Millennium School, Greater Noida (W)!

As a part of our ongoing celebration of **World Nature Conservation Day** at TMS, our little **Eco Warriors** are joining hands with **BHUMI**, a NGO, in a global movement as a reminder of the importance to preserve our natural environment from growing plastic pollution and to raise awareness about the need to mitigate plastic pollution. This initiative helps our students to engage with communities in a mutually beneficial process of sustainable development while improving the quality of life under our **KARMA- our community outreach programme**.

**BHUMI** is one of India's independent youth volunteer non-profit organizations and provides platform to enable over 30,000 volunteers in more than 12 cities across India for causes like education, environment, animals, community welfare etc.

Classes	Name of the Activity	Brief description

The above activities will be conducted on Thursday, 20th July 2023 during house period.

The collected material will be handed over to **BHUMI-NGO** to ensure their further process of proper recycling.

Looking forward to your support.

Warm Regards

Alimani Tyagi.
