**Dear Parent**

**Greeting from The Millennium School, Greater Noida (West)!**

We are writing to inform you about an upcoming educational assessment opportunity for your child. We believe that it will greatly benefit their academic growth and provide valuable insights into their learning progress.

We are pleased to announce that our school will be conducting the **Ei ASSET** examination for students in the coming weeks.

**Ei ASSET** is a skill-based test that measures students' conceptual understanding in scholastic subjects like **English, Maths, and Science**. It benchmarks students' performance at international, national, and regional levels with actionable insights to remediate the learning gaps.

The Ei ASSET test comprises

- Multiple choice questions for easy answering
- No negative marking
- Each subject test is conducted separately.
- All three subjects are mandatory for all qualifiers.
- To see some sample questions, please visit [www.aqad.in](http://www.aqad.in)
- No specific preparation is required for the test

The exam will be conducted in a controlled environment within the school premises.

Thank you for your continued support in providing the best educational opportunities for your child.

**Best regards,**

**Dr. Himani Tyagi**  
**Principal**
