**Month: April 2024**

**Classes: Pre-Nursery – Grade II**

**Dear Parent / Guardian,**

***Greetings from The Millennium School Greater Noida (W)!***

A lot of interesting events and activities are planned for the children to learn through experiential learning in their own unique way. We are committed to nurture the inherent potential and talent of each child. It enables them to enjoy the freedom to expression and imagine beyond the boundaries of the classroom.

Given below are the activities for the month of April 2024:

**1. Social Emotional Ethical learning**

**Objective:**

- To introduce young learners to basic emotions through sensory experiences.
- To encourage self-expression and communication of feelings.
- To promote emotional awareness and regulation skills.

**Topics:** Sensory Exploration of Emotions

**Classes:** (Pre-Nursery - UKG)

**Day & Date:** Every Monday First Period

**Week 1 Activity:** Emotion Circle:

Teacher will discuss various emotion cards to enhance students' emotional awareness.

**Week - 2 Activity:** Sensory Emotion Stations:

Students will explore emotions like happiness, sadness, anger, and calmness through tactile experiences in our sensory stations, fostering emotional awareness and expression in a fun and interactive way.

**Week-3 Activity:** Emotion Reflection Circle:

Students will create emotion-based artwork, then share their chosen emotions and reasons during circle time.

**Week-4 Activity:** Relaxation Time & Closure:

In the classroom, students will participate in a relaxation session set to music, culminating in a positive affirmation aimed at fostering a sense of unity and enhancing overall well-being among classmates.

**Classes:** Grade I - II

**Topic:** Emotion Detectives

**Day & Date:** Every Monday First Period

**Week 1 Activity:** Introduction to emotions

Teacher will discuss various emotion cards to enhance students' emotional awareness.

**Week - 2 Activity:** Emotion detective activity

Students will engage in role-playing various scenarios related to different emotions, followed by in - depth discussions to deepen understanding and empathy

**Week-3 Activity:** Emotion portraits

Students will engage in the activity of drawing various facial expressions such as happiness, sadness, anger, and surprise, fostering both artistic expression and emotional understanding.

**Week-4 Activity:** Reflection and discussion:

Teacher will discuss about different emotions, happiness, sadness, anger, and fear, helping kids understand and recognize these emotions in themselves and others, which is essential for their emotional development.

## 2. **Change Makers Canvas**

**Day & Date:** Monday, 22 April 2024 - Thursday, 25 April 2024

**Judgment date:** Friday, 26 April 2024

**Class – I (All Sections) Topic:** Building Confidence through Positive Affirmations

**Venue:** Class board outside the respective class

This theme highlights the importance of positive affirmations in boosting self-confidence and nurturing a positive self-image among students.

**Class – II (All Sections) Topic:** Friendship Dynamics: Nurturing healthy relationships

**Venue:** Class board outside the respective class

This theme is about helping students build positive friendships and healthy relationships by understanding qualities like good communication, empathy, and respect.

## 3. **Earth Day- Monday, 22<sup>nd</sup> April 2024**

**Description:** Our planet is an amazing place, but it needs our help to thrive! That's why each year on April 22, more than a billion people celebrate Earth Day to protect the planet from things like pollution and deforestation. By taking part in activities like picking up litter and planting trees, we're making our world a happier, healthier place to live.

**Classes:** Pre- Nursery – UKG

**Topic:** Earth Day Seed Planting.

**Description:** To celebrate Earth Day by teaching kindergarten children about the importance of plants and nurturing their connection to nature through a hands-on seed sowing activity.

**Materials Required:**

- Small plastic bottle filled with soil/Potting mix
- Seeds (e.g., sunflower seeds, bean seeds, or pumpkin seeds)

**Classes:** Grade I–II

Students will bring objects such as plants and recycled crafts and speak 4-5 lines about Earth Day. They will also tell how they can contribute to the well-being of the Earth.

#### 4. English Week

**Day & Date:** Thursday 18 April, 2024 to Wednesday, 24 April 2024.

**Classes:** (LKG - UKG)

**Topic:** Rhyme Recitation

**Description:** A rhyme recitation activity is a delightful way to engage young learners in language development and creativity. Children will prepare a rhyme of their choice and will carry related props.

**Class: I**

**Topic: Tell Me 5**

**Description:** Students will pick a topic from the chits and have one minute to name five things related to it. It's a fun way to improve vocabulary, think fast, and listen carefully to others.

**Class: II:**

**Topic Razplus Storytelling Journals: Imagining Adventures**

In the Raz-Plus Wordless Books activity, kids make up stories using only the pictures. It helps them imagine and talk about what they see, improving their storytelling and understanding of stories. After creating stories with the wordless books, children can make journals where they draw and write about their favorite parts, fostering creativity and self-expression.

Looking forward to your support and cooperation.

Best regards
