Dear Parent

Greetings from The Millennium School, Greater Noida (W)!

New Education Policy-2020 and following National Curriculum Framework have suggested numerous constructive School reforms, particularly in the examination system. In line with the same CBSE has introduced numerous changes in the board examination pattern in past 2 years.

In accordance with this Assessment Policy of the school was revised and updated this year. To keep our parents abreast with all these changes, an all-encompassing online session is organized wherein **the School Principal and Coordinator Academics will cover the crucial aspects of assessment conducted for your ward.**

This session holds significant importance as it aims to provide you with a comprehensive understanding of our assessment practices and their role in your child's holistic development.

AN ASSESSMENT OVERVIEW FOR GRADES VI-VIII.

Date: Friday, 1st September 2023

Time: 4:00 PM - 5:00 PM

Venue: Microsoft Teams

Link to join the session: <https://shorturl.at/pJLZ>

During this session, we will delve into various aspects of our Assessment Policy, including:

- Understanding the purpose and philosophy behind our assessment approach as per changes suggested by CBSE.
- Exploring the different types of assessments used to gauge your child's progress.
- Expectations from school, students and parents in order to keep pace with frequent changes.
- Addressing any queries or concerns you may have regarding our assessment practices.

We firmly believe that your active participation in this session will foster a robust partnership between parents, educators, and the school. By collaboratively working together, we can ensure the optimal growth and development of your child.

We also request you to confirm your participation and share your insights and queries with us beforehand using the following link:
