Dear Parents,

Greetings from The Millennium School, Greater Noida (W)!

We are excited to introduce a new way of keeping you connected and informed about the latest happenings, achievements, and initiatives at our school. It is with great pleasure that we announce the launch of our very first school news magazine, **TMS PULSE**.

TMS PULSE is more than just a collection of updates; it's a platform to celebrate the achievements of our students, showcase their talents, and highlight the outstanding efforts of our dedicated staff members. Through this newsletter, you will have the opportunity to stay informed about academic highlights, enrichment activities, and much more.

We are excited about this new chapter and look forward to sharing it with you.

Thank you for your continuous support as we embark on this journey of enhanced communication and community engagement with **TMS PULSE**.
