DROP EVERYTHING AND READ

Dear Parent

Greetings from The Millennium School, Greater Noida (W)!

We are excited to announce that **Drop Everything and Read (D.E.A.R.)** activity will be conducted on the occasion of **World Book Day, celebrated on Tuesday, April 23rd 2024**. The D.E.A.R. activity encourages everyone—students, teachers, and staff—to set aside dedicated time for reading. Whether it's a novel, magazine, or educational material, the goal is to immerse ourselves in the pleasure and benefits of reading.

This initiative aims to promote the joy of reading and the importance of literacy within our school.

Please find below the guidelines of this event:

- Activity will be conducted for grades III to IX.
- Students must bring their favorite book/ reading material tomorrow.
- Students will exchange the books with their class mates.
- During Zero period everyone will read the books and towards the end share their learning.
- Respectful silence must be maintained to facilitate a conducive reading environment.

Looking forward to your enthusiasm and support. Happy Reading!

Best regards

Dr. Himani Tyagi
Principal,
The Millennium School, Greater Noida (West)
