

The Dry Ration Collection Drive

Dear Parents and Students,

Warm Diwali greetings from The Millennium School, Greater Noida (W)!

As the festival of lights, Diwali, approaches, we are delighted to introduce our upcoming initiative under the **Karma Outreach Program - Project Nourish: The Dry Ration Collection Drive**. In collaboration with the **Robin Hood Army, a non-profit organization**, this drive will run from **6th to 9th November 2023**.

Our Purpose: This Diwali, let's illuminate not just our homes but also the lives of those less fortunate. Project Nourish aims to collect essential dry ration items to support individuals and families facing food insecurity.

How You Can Contribute: We wholeheartedly invite our students and their parents to participate in this compassionate endeavour by donating dry ration items. No contribution is too small, and even the simplest act of kindness can make a world of difference to those in need. **While participation is not mandatory, we would encourage all to join us in this noble cause.** Your kindness and generosity will go a long way in bringing comfort to the less privileged.

Collection Points: To make the process convenient, designated collection points will be established on each floor within the school premises. Look for boxes labelled **PROJECT NOURISH** and place your donations there.

Items Needed: We kindly request non-perishable items in sealed packets, ranging from **as small as ½ kg to as large as 5 kg**. Consider contributing any of the following:

- Rice
- Pulses
- Wheat Flour
- Sugar

Date for Handover: The culmination of this drive will be the handover of collected items to the **Robin Hood Army on Friday, 10th of November 2023**. We warmly encourage your enthusiastic participation in making this initiative an overwhelming success.

This Diwali, let's unite as a compassionate community and create a positive impact in the lives of those who are in need.

Thank you for your unwavering support and your big-heartedness.

Warm regards,

Dr. Himani Tyagi

Principal
