Millennium
School
Greater Noida (W)
Think Today. Change Tomorrow™

Circular No. 22-23/ACTC/TMSGRN/11
Month – November 2022

Classes: Pre- Nursery - KG

Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida(W)!

Co-curricular activities are designed to help children develop their social, cognitive, moral, personality, and character appeal. Planning events that engage and educate young minds is something we strive to do.

Given below are the activities for the month of November 2022:

1. Life Skills Activity: Water Conversation

Day & Date: Monday, 7 November, 2022

Topic: Save Water

Day & Date: Every Monday 1st Period

Description: Utilizing water wisely to eliminate wasteful water use is known as water conservation. Because clean, fresh water is a scarce resource, water conservation is crucial.

Activity 1- Week 1: Video and conversation related to Water Conservation

Activity 2- Week 2: Conversation related to water conservation followed by free hand drawing related to the concept.

Activity 3 – Week 3: Conversation related to water conservation followed by craft activity.

Activity 4 –Week 4: Children will speak few lines on water conversation.

2. World Science Day for Peace and Development

Day & Date: Thursday, 10 November,2022

Description: Science helps children develop key life skills, including an ability to communicate, remain organized and focused, and even form their own opinions based on observation. Science also helps children develop their senses and overall awareness.

Activity: Making rainbow with skittles

Description:Skittles rainbow experiment shows that water molecules are more active in warm water than in cold water and as they come in contact with the sugar and food colorstart dissolving. It offers an engaging, purposeful activity for children for developing their observation and concentration.

Materials

- Plate
- Warm water
- Skittles(candy)

3. Children's of Today, Future of Tomorrow- Bal Diwas

Day & Date: Monday, 14 November, 2022

Topic: Children's Day celebration

Description: Children are the torchbearer of the future. Children's Day is celebrated on November 14. The day is a reminder that every child deserves education, nurturing and the best of everything.

Activity: Best out of waste

Description: The Best out of Waste simply means to make or to create innovative and attractive things from the material we do not use anymore. In an initiative to generate the habit of using old things to create beautiful crafts among children.

Material:

- Newspaper / Magazine papers
- Old Bangles
- Small Plastic Bottles
- Glue
- Scissors
- Decorative Material

4 Thanksgiving Day

Day & Date: Thursday, 24 November ,2022

Description: Day is celebrated a reminder to us of the importance of gratitude in life. Children are never too young to learn the value of everything they have in life and for being thankful for it. In fact, this should become a daily practice. Use this day to teach them to be thankful.

Activity: Conversation about the importance of being thankful and children will make the card.

Material

- A4 coloured sheet
- Glue
- Crayons / Sketch pens

5. Drawing Jurassic Park

Day & Date: Friday, 25 November, 2022

Topic: Drawing Zoo

Description: Drawing plays a big role in our cognitive development. It can help children to learn to write and think creatively, develop hand-eye co-ordination. It helps children organize their ideas for expression in story writing in several ways.

Activity: Teachers will talk about Zoological Park and will show a small video related to the same. Children will draw an image of zoo using their ideas and creativity.

Description: Festivals are a great medium to make children aware of one's culture It gives you a feeling of togetherness and everyone wants to get connected and be happy together. Festivals offer a wider opportunity to instill this trait in young minds.

Looking forward to your support and cooperation.

Best regards

Dr. Himani Tyagi
Principal
