

Circular No. 22-23/ACTC/TMSGRN/18
Month – February 2023

Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida (W)!

A lot of interesting events and activities are planned for the children to learn through experiential learning in their own unique way. We are committed to nurture the inherent potential and talent of each child. It enables them to enjoy the freedom to expression and imagine beyond the boundaries of the classroom.

Given below are the activities for the February 2023:

Classes: I – VIII

1. Life Skills Activity

Topic: Learning to be organized

Day & Date: Every Monday 1st Period

Skill Assessed: Organizational skills and Discussion

Assessment: Students will share their videos on MS ID of class teacher while organizing things by Monday, 20 February, 2023. They will also organize their lockers at school.

Learning outcome: Students will learn to arrange things in a systematic order.

2. National Science Day

Day & Date: Monday, 20 February, 2023

Description: Each year on February 28, National Science Day is marked is marked to raise awareness about the importance of science in people's daily lives and to recognize all of the activities, projects, and achievements in the field of technology that help humanity.

It is commemorated by implementing new technologies for scientific growth, providing opportunities for scientifically inclined individuals in India, and encouraging and popularizing technology and science.

Classes I & II – Inter Class Quiz on General Science

Description: It will be conducted in two rounds. Preliminary round and Final round. Students from each class will be shortlisted for Final round based on their performance in Preliminary round.

Classes III to V – GO on Famous Scientists

Topics:

Class III – Indian Scientists

Class IV – International Scientists

Class V – Women Scientists

Materials Required:

- A3/A4 size cartridge sheet
- Pencil colours/Oil pastels / Crayons

Classes VI to VIII – Working Models

Description: Students will be divided into groups. Science teacher will brief them about their models and final presentation will be on Monday, 20 February 2023.

Topics:

Class VI – Waste Management techniques

Class VII – Excretory System

Class VIII – Periscope / Kaleidoscope

Looking forward to your support and cooperation.

Best regards,

Dr. Himani Tyagi
Principal
