Newspaper Reading – A Powerful Habit

Dear Parents,

Greetings from The Millennium School, Greater Noida (W)!

Each child must be encouraged by his/her parents and teachers to read the newspaper every day, to reap wide-ranging benefits. Infact, since its origin in the 17th century the newspaper has continued to jumpstart the day for many.

It is extremely important to read the Newspaper everyday as:

- It is a rich and authentic source of information
- Reading newspaper bolsters language skills
- It improves general awareness of the current local & global affairs.

At TMS, we ensure quality education and holistic development of all the students. Keeping in mind the importance of reading the newspaper amongst students, the school has collaborated with The **Hindustan Times** to provide us with the **Student Edition** for **Classes III - VIII** of HT, 5 days a week, which the student will take home too.

We have incorporated **Newspaper Reading Time (NPRT)** in our time-table without disturbing the regular classes.
