6th September '22

Dear Parent

Congratulations! This session onwards our children will have access to a variety of different opportunities in the domains of physical education and sports owing to our partnership with Shikhar Dhawan's venture – Da One Sports. Throughout the course of this academic session, each student will get the opportunity of playing **Table tennis, Badminton, Football and Basketball**, in addition to all the previously existing skills such as **Tae Kwando and Skating**.

Our timetable has been modified to accommodate Da-One Sports on **Wednesday/ Friday**.

In order to make it an effective learning experience for our children, we request you to ensure.

1. Children eat good breakfast at home. We will also ensure fruit break before Sports period.
2. Children carry a water bottle.
3. Children carry a sports cap to avoid the sun.
4. **Children wear house uniform on their respective sports days** (Please refer to the timetable above). Girls are advised to wear cycling shorts underneath. On Thursday, they will wear regular school uniform.
5. Your child's sports timetable is already shared with you. **The students of the classes going for Table tennis and Badminton must wear white *non-marking sports shoes** to ensure comfortable and effective learning experience and to prevent damage to the specially designed indoor court floors.

*Please feel free to purchase from the market, just ensure that the shoes are white in colour.

Your cooperation is essential to our learners' success!

Warm regards

Dr. Himani Tyagi
Principal
