TMSGRN/CIRC/22-23/29

22nd August '22

Dear Parent

School can truly empower children if parents and teachers act in a partnership on behalf of the children's best interests.

It's time to celebrate the bond of togetherness in the upcoming **Student Parent Teacher Meeting (SPTM)** for classes, **Pre-Nursery- Class VIII,** wherein your child's **Class Teacher** will apprise you of your child's progress till now along with expectations from you as our partners in education on **Saturday, August 27, 2022,** from **9:00 a.m.- 12:30 p.m.**

Please note the following important points:

- **Individual Time Slots for the SPTM will be shared by your ward's Class teacher.**
- It will be mandatory for your ward to accompany you to the SPTM in **school uniform.**
- Your ward's **Report Card** will be shared through her/his **Microsoft email address** by **Friday, August 26, 2022.**
- We solicit your feedback for our improvement. The link for the feedback form https://forms.office.com/r/NU89ThtEa1. Please fill by **Friday, August 26, 5 p.m.**

In order to reduce the waiting time for parents we would like to ensure that the Parents' visit time is spread out evenly across the day. Thus, you are requested to restrict your **SPTM** duration as allotted. The following special event would also be organized on the school premises on the same day:

❖ **READING FAIR 'BOOK BOOM'**

The house of Scholastic strives to bring new launches and interesting books to your doorstep and is organising a special book fair. **"There are many little ways to enlarge your child's world. Love for books is the best of all."** Help your child imbibe this school ideology by making friends with at least 2 books this month as we are planning a special project based on the books they buy and read. **Venue: School Cafeteria (Basement).**

In keeping with COVID–appropriate protocol, all parents are requested to enter the school premises from **Gate No 4** only.

Looking forward to your presence at the READING FAIR and the SPTM.

Best regards

Himani Tyagi.
