

Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida (W)!

The Millennium School Gr. Noida (W) believes in inculcating values of global citizenship in our students. Keeping this in mind we have decided to follow SDGs (Sustainable Development Goals) as theme for Kalaangan. Sustainable development meets the needs of the present without compromising the ability of future generations to meet their own needs. The Sustainable Development Goals (SDGs), also known as the Global Goals, were adopted by the United Nations in 2015 as a universal call to action to end poverty, protect the planet, and ensure that by 2030 all people enjoy peace and prosperity. We have chosen following SDGs as themes for our events:

The preliminary round for TMS students will be conducted on 25th August 2022. Please find the details of the activities. Students can participate only in one of the two given events. They need to bring the materials required from home.

Warm regards

Himani Tyagi
