Dear Parent / Guardian,

Greetings from The Millennium School Greater Noida (W)!

We, at The Millennium School, believe in the importance of developing a love for learning and an ability to explore their innate potential, among students, from a very young age. Exposing children to assessments of national and international levels offer an opportunity for developing this attitude alongside an improvement in analytical thinking, problem solving ability and aptitude in the long run.

In view of the above we would like to share that our School is conducting Science Olympiad Foundation (SOF) Olympiads this year which will provide an accurate and fair opportunity to students/ parents to understand academic areas requiring improvement and recognize and award good performance by students.
