18th April' 2022

Circular for classes 1 to 8

The
Millennium
School

Greater Noida (W)

Think Today. Change Tomorrow

Dear Parents

Greetings!

Subject-Talent Development Program (TDP)

At the The Millennium School, Gr Noida (W) we believe that for a well-rounded development and education of our children, a balanced and integrated emphasis on scholastic and co-scholastic activities is of vital importance. It is not only essential for enriching and enhancing learning experiences of students, but it also plays a pivotal role in enabling them to apply academic skills in a real world context.

Bearing the above in mind, we are pleased to announce the commencement of the **Talent Development Program (TDP)** for our students. An array of interesting activities aimed at channelizing children's talents and interest is being offered to all the children. **The TDP classes will be held on Wednesdays and Fridays as per the timetable.**

We like to believe that for any activity to be learnt meaningfully there should be a limited number of students in each class. Hence, every class has limited seats and the allotment of the same will be done on **first cum first serve basis**. Subject to the availability of seats in a particular class, your ward will be allotted **one** of the 7 activities of his/ her choice. **Parents are requested to fill the attached Preference form and mention the choice of activities listed in the order of their preference.**

Kindly send the duly filled form to the respective Class Teachers latest by 20nd April to facilitate the smooth commencement of the classes as per schedule. We hope your ward will experience the joy of learning a new skill. We look forward to your enthusiastic participation and support.

Warm Regards

Eram Abedi

(Vice-Principal)
