13 JANUARY 2020 (MONDAY) – LOHRI CELEBRATION

We at Millennium celebrate all the festivals to spread love and happiness.

Lohri is a harvest festival that falls on 13th January. It is a Celebration of Winter Crop Season and is observed just a day before Makar Sankranti, a festival that marks the end of the month with the Winter Solstice and beginning of longer days.

There will be ‘Lohri Celebration’ in school. Kindly send your ward in Indian traditional dress along with 1 Microwave pack of Act II Popcorn & Snacks - Peanuts, Rewri, Jaggery, Til, Puffed Rice, etc. in their tiffin-box.

13 – 24 JANUARY 2020– ADOPT A PLANT

The planting of a tree is a gift that one can make to posterity at almost no cost and with almost no trouble, and if the tree takes root it will far outlive the visible effect of any of your other actions, good or evil.

Nature is a powerful teacher. Nature’s lap plays an integral role in Experiential Learning, where each child develops socially and emotionally.

For better understanding of their environment, the children will adopt a plant in the School Green Area and nurture it. This will gradually deepen their knowledge about the individual plant that each one adopts.
